## **Business Interruption Introduction**

### **Who would benefit?**

This course is designed for staff that have little or no knowledge of Business Interruption insurance but are conversant with commercial property insurance. This course quickly strips away the mystic of BI and provides a sound understanding of a subject that can be very daunting to people in the early stages of their technical career.

### **Objective**

The importance of BI cover and an outline of the cover available.

### **Content**

The underwriting considerations  
Identify threats to clients business  
Understand scope of a BI policy  
BI terminology:  
gross profit  
maximum indemnity period  
indemnity period  
increased cost of working  
Undertake claims settlement calculations

### **Duration**

One day

### **Pre-requisites**

It is assumed anyone attending this course has either attended or has the knowledge provided by:

Insurance: Introduction

Commercial Insurance: Introduction

As BI flows from material damage it is also beneficial to attend:

Commercial Property: Introduction before this course.
